Hi Jim-

At 3:10 on Friday I found out that I am suppose to be in SFD for Superior Court Monday morning, so I don't think that I'll be in to work beforehand. I haven't gotten a clear response from the ADA (Bryson), but my best guess is that I will end up coming to work later in the day.

p.s. I think I may have forgotten to leave the phones right as I've tried to leave a voice message but have not been able to do so
